

**Royal
Flora
Holland**

Authorisation to link Royal FloraHolland customer numbers for CC containers

Please note! The linking also applies in case of any rented lock plates.

The undersigned (grantor) grants permission that:

Company name: _____ Customer number: _____

Has control over the CC containers of the undersigned. Linking means that the control over the balance and the transactions is transferred to the customer number provided above. From now on, the balance and the transactions can be accessed only under the customer number provided above.

Name and customer number or numbers to be linked:

Company name: _____ *Customer number: _____
(grantor) _____

* multiple customer numbers permitted

What is the relationship between the companies listed above:

(to be completed only if the number to be linked belongs to 'another' company)
