

Together for a Safe Marketplace

Only come to the marketplace if it is absolutely necessary

- Maintain a distance of 1.5 metres from others.
- You should do so during your journey to and from the marketplace, too.

Make your work area (box) Corona-proof

- A face mask is compulsory in all open areas, including the delivery lane and unfenced areas next to the boxes.
- In the fenced box areas, the tenant/employer is responsible for complying the guidelines. Here too, we expressly advise the use of face masks.
- Employees of Royal FloraHolland may only enter the box if a distance of 1.5 metres can be maintained.

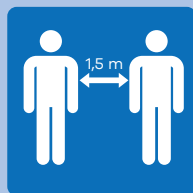

Limit the number of movements and contacts

- Do not drive back and forth across the marketplace unnecessarily.
- Avoid in-person visits by contacts where possible.

Follow the RIVM guidelines

Wear face masks in public places.

Maintain 1.5 metres distance between each other

Regularly wash your hands or use hand gel disinfectant

Cough and sneeze into your elbow

Use paper tissues

Do not shake hands

- Do **NOT** come to the marketplace if you or a family or household member are infected with the coronavirus.
- Do **NOT** come to the marketplace if you display symptoms such as a cold, coughing, shortness of breath or fever.
- Do **NOT** come to the marketplace if you have symptoms of a cold in combination with shortness of breath and/or fever of a family or household member.

- **Do you have symptoms?** Get tested and stay at home until the result is known. If you test positive, stay at home until you recover. The municipal health authority GGD will provide you with extensive information on other measures to take. It is important that you inform your GP, employer and/or company doctor.

Report 2 or more infections within your company, if these are related. So contamination in the same place or within 10 days. We will also inform you if several employees are infected at the same location and/or within the same period. Together we can prevent the spread of the virus with strict measures.

If you have any questions, concerns or tips, please contact +31 (0)88-789 8989 or meldpuntcorona@royalfloraholland.com.
