	Order risk advice		
2801	Hourly rate - RFH requirements	For free	In case of transactions with RFH requirements
2801	Hourly rate - no RFH requirements	€ 144	In case of transactions without RFH requirements

- (1) We will no longer charge the buyer a service charge for every transaction where the buyer places the order via Floriday (in the screens, via the Floriday API link or VMP link). On the condition that the member/supplier also handles the order financially via Floriday (settlement). The volume discount on the service charge is determined on the basis of the part of the transactions on which the service charge has been levied.
