- (1) If less than 21 transactions (flowers Naaldwijk/Aalsmeer and flowers and plants Rijnsburg) and less than 11 transactions (plants Naaldwijk/Aalsmeer) are made per auction day per buyer number, then a minimum levy of €8.60 will be charged. The number of transactions is the total number of transactions with logistics handling on the same auction day; this concerns logistics transactions made through the clock and clock presales (KVV). You purchase through clock presales, then these transactions count on the day they are processed logistically. The minimum levy is calculated per location (Aalsmeer/Naaldwijk/Rijnsburg) and per process (flowers process and plants process for Aalsmeer/Naaldwijk and Rijnsburg has 1 process).
